

# TAKING BACK OUR POWER

## A HEARING VOICES GATHERING

Join us for a Taking Back Our Power hearing voices group. These groups are open to anyone with the experience of hearing voices, or experiencing other sensory phenomena not shared by others. We offer a non-clinical, non-judgmental environment for free and open discussion away from traditional psychiatric treatment. If you hear, see, smell, or feel things that other people can't perceive, this group is for you. Everything that happens in the meetings is confidential. We're available for you three times a week, online.

## WHEN:

Mondays

Tuesdays

Wednesdays

3pm (EST)

## WHERE:
